Growing Cents: UAT vs SRS Gap Analysis v1.0

Identification and justification for technical deviations from the original SRS during the "Elite" transition.

1. Identified Gaps

Module	SRS Spec	Actual Implementation	Justification
:---	:---	:---	:---
Dashboard	Standard Grid	Absolute 8/4 Cockpit	Enhanced density for high-command oversight.
Reporting	PDF Export	Dynamic Mermaid + PDF	Interactive diagnostic observability.

Auth	Basic SSO	2FA + RBAC 6-Layer	Mitigating institutional risk factors.

2. Mitigation Strategy

Gaps identified are performance-positive, exceeding original specifications for "Elite" standards.
